COMPLAINT FOR PATENT
INFRINGEMENT**

COUNTERCLAIMS

DEMAND FOR JURY TRIAL

CONAIR CORPORATION,

Counter-Plaintiff,

v.

JENS ERIK SORENSEN, as Trustee of
SORENSEN RESEARH AND
DEVELOPMENT TRUST,

Counter-Defendant.

1 Defendant Conair Corporation ("Conair") submits this Amended Answer to the
2 Amended Complaint for Patent Infringement of Plaintiff Jens E. Sorensen, as Trustee of the
3 Sorensen Research and Development Trust ("Sorensen") as follows:

4 **ANSWER**

5 **THE PARTIES**

6 1. Answering paragraph 1, admitted that the document attached as Exhibit A to
7 Sorensen's Amended Complaint appears to be a true and correct copy of the '184 patent.
8 Otherwise, denied on the grounds that Conair lacks sufficient information and belief as to the
9 truth of the allegations.

10 2. Answering paragraph 2, admitted.

11 3. Answering paragraph 3, denied on the grounds that Conair lacks sufficient
12 information and belief as to the truth of the allegations.

13 4. Answering paragraph 4, denied on the grounds that Conair lacks sufficient
14 information and belief as to the truth of the allegations.

15 **JURISDICTION AND VENUE**

16 5. Answering paragraph 5 as to Conair only, admitted.

17 6. Answering paragraph 6 as to Conair only, denied.

18 7. Answering paragraph 7 as to Conair only, denied.

19 **CLAIM FOR RELIEF**

20 (Patent Infringement)

21 8. Conair re-alleges and incorporates herein by reference its answers to paragraphs
22 1 through 7, inclusive, as though fully set forth herein.

23 9. Answering paragraph 9, admitted that the '184 patent indicates on its face that it
24 issued on the asserted date and bears the asserted title. Otherwise, denied.

10. Answering paragraph 10 as to Conair only, denied.

11. Answering paragraph 11 as to Conair only, denied that any product specifically identified and/or falling within the scope of paragraph 11 of Sorensen's Amended Complaint infringes any claim of the '184 patent.

12. Answering paragraph 12 as to Conair only, admitted that Conair is not licensed under the '184 patent. Denied that such a license is necessary.

13. Answering paragraph 13 as to Conair only, denied.

14. Answering paragraph 14 as to Conair only, admitted.

15. Answering paragraph 15 as to Conair only, denied. It is unclear what the phrase "dual layer external plastic housings" specifically refers to and/or encompasses, and on that basis Conair accordingly lacks sufficient information and belief as to the truth of the allegations.

16. Answering paragraph 16 as to Conair only, denied.

17. Answering paragraph 17 as to Conair only, admitted that Conair is not licensed under the '184 patent. Denied that such a license is necessary.

18. Answering paragraph 18 as to Conair only, denied.

19. Answering paragraph 19 as to Conair only, denied.

20. Answering paragraph 20 as to Conair only, denied that the provisions of 35 U.S.C. § 295 are properly applicable to the information and/or the format of the information which was the subject of Sorensen's demands as set forth in the referenced letter, and further denied that Conair had or has any obligation under 35 U.S.C. § 295 to respond to Sorensen in the manner required by Sorensen's demands.

21. Answering paragraph 21 as to Conair only, denied that Conair had or has any obligation to respond to Sorensen in the manner required by Sorensen's demands.

22. Answering paragraph 22 as to Conair only, denied.

23. Answering paragraph 23 as to Conair only, admitted that the three products specifically identified in paragraph 11 of Sorensen's Amended Complaint have been made in China.

24. Answering paragraph 24 as to Conair only, denied.

25. Answering paragraph 25 as to Conair only, denied.

26. Answering paragraph 26 as to Conair only, denied.

27. Answering paragraph 27 as to Conair only, denied.

28. Answering paragraph 28 as to Conair only, denied.

AFFIRMATIVE DEFENSES

Conair asserts the following defenses and reserves the right to further amend its Answer as additional information becomes available.

FIRST AFFIRMATIVE DEFENSE

1. Conair has not infringed any claim of the '184 patent, nor has the manufacture, use, sale, offer for sale and/or importation of any Conair process, product, device, component or structure constituted infringement of any claim of the '184 patent.

SECOND AFFIRMATIVE DEFENSE

2. Conair has not actively induced and/or contributed to infringement of any claim of the '184 patent by others.

THIRD AFFIRMATIVE DEFENSE

3. The claims of the '184 patent are invalid and/or unenforceable for failure to meet the conditions of patentability set forth in 35 U.S.C. §§ 101, 102, 103 112 and/or 132.

///

///

1 FOUTH AFFIRMATIVE DEFENSE

2 4. Sorensen is estopped from construing any claim of the '184 patent to cover or
3 include any process, product, device, component or structure made, used, sold, offered for sale
4 or imported by Conair because of positions taken during the prosecution before the United
5 States Patent and Trademark Office of the applications which resulted in the '184 patent.

6 FIFTH AFFIRMATIVE DEFENSE

7 5. Pursuant to the provisions of 35 U.S.C. §§ 271 and 286, to the extent that any
8 Conair process, product, device, component or structure is found to have infringed any valid and
9 enforceable claim of the '184 patent, damages for such infringement are limited in time to a
10 period ranging from July 11, 2002 (six years prior to Sorensen's filing of his Complaint) through
11 February 5, 2008 (the date on which the '184 patent expired).

12 SIXTH AFFIRMATIVE DEFENSE

13 6. Conair adopts and incorporates herein all affirmative defenses available to
14 Federal Rule of Civil Procedure 8 (or any applicable statute or regulation), to the extent the facts
15 known at this time would make any of said defenses available or facts developed in the future
16 would make the same available. No affirmative defense is waived.

17 COUNTERCLAIMS

18 Counter-Plaintiff, Conair Corporation ("Conair"), alleges the following Counterclaims
19 against Counter-Defendant, Jens E. Sorensen as Trustee of the Sorensen Research and

8 2008, Sorensen has submitted himself to the jurisdiction and venue of this Court and has created
